Honorable Allen W. Dulles  
Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

We have been invited by a group of civic leaders in New York City to request all members of the National Defense Executive Reserve to take advantage of a series of monthly national defense lectures currently being held in Town Hall. The lectures for the remainder of this season will take place on January 27, February 24, March 24, and April 28 from 5:00 p.m. to 7:00 p.m. These lectures are given by military faculty members of the Industrial College of the Armed Forces; however, the New York Committee of the College reserves the right to feature a nationally known speaker for any of the currently scheduled lectures.

This series of national defense lectures is a further step in the training of a strong Government-wide National Defense Executive Reserve. Therefore, I ask your wholehearted cooperation in support of this project in order that this series of lectures will serve as a valuable aid in bringing to a state of readiness the National Defense Executive Reserve.

Your Executive Reservists will receive in the near future a letter from Col. Lloyd W. Stearns, Vice Chairman of the New York Committee, Industrial College of the Armed Forces, whose address is 52 Wall Street, New York 5, N. Y., phone number Digby 4-3644. Col. Stearns' letter will contain complete information regarding the Town Hall lectures.

You may have your representative contact Mr. Edward J. Gallagher of this office on Code 113, extension 3237, for additional information.

Sincerely,

*Leo A. Hoegh*  
Leo A. Hoegh
